## WHO CAN GO

We can accommodate people of all ages and physical abilities keeping in mind that all trips are not suitable for everyone. Powered rafts are controlled by the guide who steers with an outboard motor at the rear of the raft. People are required to hang on with both hands through the rapids. With the ride not quite as rough at the back of the raft as the front, this trip is suitable for a wide range of people. Minimum age 8 years accompanied by an adult.

Camping is mostly on large level sandy beaches, toilets are tented and we have ample supplies of firewood. Some participants hike, fish and paddle the inflatable kayaks, while others prefer to relax, read, draw, paint and enjoy the scenery.

## MEALS

All meals are made with healthy, fresh ingredients, expertly prepared by our guides. We are happy to accommodate any food allergies, dietary restrictions and special events. Just give us some advance notice and we will plan accordingly.
