FRASER RIVER Boston Bar to Yale Power Rafting on the Fraser River

Take this one day adventure to experience the mighty Fraser River and some of the largest commercially rafted whitewater in North America.

Our large power rafts let you ride through the scenic Fraser Canyon in comfort and safety. Enjoy the majestic views, wildlife and cultural history on this diverse and incredible waterway.

Challenge the rapids at Scuzzy Rock, China Bar and more. Pause mid way for a well-deserved rest after conquering the unforgettable rapids at Hell's Gate. Enjoy a buffet lunch served on a secluded riverside beach, where you can swim, hike or just relax in the sunshine.

The grand finale is the roller coaster action of Sailors Bar rapids, a chain of huge standing waves that we rerun several times.

- From Vancouver, head east on Highway 1.
- At Hope, take Exit 170, where Highway 1 exits off.

- We are about 23 km from Hope, 1 km west of Yale on the right side of Hwy 1.
- We have signs at each end of our property (Fraser River Raft Expeditions). Look for a big building with a red metal roof and cedar siding.
- Turn right and come down our driveway.

WHAT YOU NEED

You should wear shorts, a t-shirt and a pair of shoes that can get wet but will not fall off. Try to avoid heavy cotton clothing as it is cold and uncomfortable when wet and you will get wet very wet actually.

We will supply rain gear, top and bottom for the power raft trips and a helmet and a farmer john wetsuit for paddle rafting. And we supply a lifejacket of course. We also bring along extra fleece jackets if you need a little more warmth.

We recommend old runners or sport sandals for your feet. Flip Flops or sandals without a heel strap tend to fall off and get lost so please try not to wear them because you do not want to be barefoot in a raft.

Bring an extra set of clothes and a towel if you wish. Keep these in your vehicle for after the trip.
